

# Cómo acceder a un webinar online

Al seguir el enlace que recibas para acceder a la clase online verás una pantalla como ésta. Es necesario hacer clic en el botón verde *Launch Class*

The screenshot shows a web browser window with the URL [wiziq.com/online-class/645613-prueba2](http://wiziq.com/online-class/645613-prueba2). The page header includes the WizIQ logo and navigation links: Home, What is WizIQ?, Company, Courses, Plans & Pricing, and a search bar. The main content area displays the class title "prueba2" as a "Private Class" scheduled for Wednesday, October 19, 2011, at 11:06 PM. It indicates the class is in progress. Key details include a price of "Free" (with a green arrow pointing to the "Launch Class" button), a duration of "60 minutes", and it is presented by "Campus Sanofi". A "Launch Class" button is prominently displayed in green. Below this, there are links for "System & Device Check" and "About the Class". The "About the Class" section shows a long alphanumeric string, the language of instruction as "English", and keywords: "salud, prueba, prueba2". On the right side, there is a section for "About Campus Sanofi (Teacher)" with a profile picture and options to "Send a Message" and "Follow this Member".

Dentro del aula sólo podremos hablar si el profesor nos da la opción de abrir nuestro micro. Para interactuar con el docente y con los demás participantes existe la opción de usar el panel de chat.

## ¿Cómo es el aula por dentro?

The screenshot shows a whiteboard interface with two mobile app screens and a video call window. The left screen displays the 'Symptoms' section of the 'KidsDoc' app, featuring a 'healthy children' logo and a list of search options: 'Alphabetical Index', 'Body Area Index', 'Recently Viewed', and 'Keyword Search'. The right screen shows the 'Body Area Index' section with a list of body parts: 'Head or Brain', 'Eye', 'Ear', 'Nose', 'Mouth or Teeth', 'Neck or Back', 'Chest', and 'Abdomen'. The video call window on the right shows a female presenter with the text 'Your audio/video' and controls for 'Stop broadcasting video', 'Stop broadcasting audio', and 'Device settings'. A chat window at the bottom right shows a message input field and a 'Send' button.
